Dear Sirs:

We have received your letter of May 21, 1971 in respect of the subject case. The proposed amendments you have prepared are approved. In particular, we have studied the manner of your proposals to overcome the objections of the Examiner in Item 1 of the last Official Action. They appear to be in order. We note too your proposed change to page 4, lines 10 and 11 as well as new claim 17. Likewise, these appear to us to be proper and they should overcome the objections of the Examiner. We assume that you will go forward with filing the response without delay.

Very truly yours,

George J. Brandt, Jr.
